### Recording and Usage Policy

#### *Keynote Lectures and Board Sponsored Sessions*

Keynote events, including the COVID-19 Series, Hormuud Lecture, the ASR Distinguished Lecture, and the ASA Presidential Lecture, will be posted to the ASA's YouTube page after the conference. Any discussions, questions, or other video recorded material from the keynote events will ultimately be available for public viewing.

#### *Annual Meeting Sessions*

Pre-recorded and live sessions featuring presentations by Annual Meeting attendees will be accessible to registered attendees of the ASA Virtual Annual Meeting only. Sessions will remain accessible online to all registered attendees through the end of the calendar year (2020).

Unless the ASA receives written request from presenters, pre-recorded sessions will remain electronically archived on MyASA, accessible only to ASA members in future years.
